

Chastain Night
Featuring *Nicole Chillemi*

Saturday, September 25th
7:30 pm to 9:30 pm at the Amphitheater

Nicole Chillemi, who had the pleasure of opening for the legendary Jimmy Scott last summer, performs regularly in Atlanta, at restaurants, private functions and theaters. "Atlanta has a good music scene and it has been the perfect place for me to develop as a jazz voice. I love to sing jazz and it is my goal to personalize every song and perform for more and more people, playing at new clubs and festivals." With the release of *Mention Of You* and her continuous growth as a jazz singer, it seems only a matter of time before Nicole Chillemi is a household name in the jazz world.

We expect a very large turn out for this extremely popular event and the third concert series of the year – so come early to stake out your spot on the green and visit with friends and neighbors. Bring food, drinks, candles, and blankets to make our beautiful Amphitheater look like our very own Chastain!
