

NOTICE

In compliance with Section 74-30 of the City of Kennesaw Ordinance regarding collection of yard debris, the Sanitation crews of the **Public Works Department will collect bagged yard debris and small trimmings every Monday**. The following items must be in bags that do not exceed 50 pounds or in plastic/metal cans with tight fitting lids that do not exceed 32 gallon capacity nor weigh more than 50 pounds, and be placed on the curb BEFORE 7:00 AM on Monday for pick up:

- Leaves
- Grass clippings
- Pine straw
- Small hedge trimmings shall be cut into lengths of 4 feet or less

There is a limit of 15 bags and/or 3 containers per regular pick up for green waste.

All branches, limbs, and shrubbery shall be cut into lengths of 4 feet or less, and no single piece shall exceed 2 inches in diameter and weigh no more than 50 pounds. Branch, limb, and shrubbery piles shall be neatly stacked parallel to the street on the resident's property next to the curb, but not placed in a position that obstructs sidewalks, gutters, mailboxes, movement of traffic, or on/near power or cable utility boxes.

There is a limit of 2 piles per resident. Piles shall not exceed 10 feet long by 6 feet wide by 4 feet tall. If the number of piles exceeds the limit, the resident can call Public Works for a special pick up for which there will be an additional fee to remove.

Crews and equipment often leave behind small debris, which is the responsibility of the resident to clean up.

Do not put loose leaves, grass clippings, pine straw, or small trimmings in the garbage can. Doing so will cause your can to **not be emptied**.

IF A TREE COMPANY PROVIDES YOU WITH SERVICES, THAT COMPANY IS REQUIRED TO REMOVE THE DEBRIS FROM THE PREMESIS. THIS IS THE CITY POLICY.

Please contact the Public Works Department at 770-421-8582 for copies of the Ordinance or with any questions you may have. We thank you for your cooperation on this matter as we continue to improve the efficiency of our city operations and keep Kennesaw clean and beautiful.
