We Need You To Vote For The Board of Directors!

It's Your Community, Your Choice!
Let Your Voice Be Heard!

2021 BOARD ELECTION DETAILS

The Board of Directors is utilizing the same election process for 2021 as we have since 2013. The election will **not** be held at the 2021 Annual Membership Meeting. Instead, homeowners will have the convenience of voting in the comfort of their own homes **electronically** or by **mail-in ballot** during an open voting period from **February 1, 2021 to February 19, 2021**. The Election results will be announced at the virtual Annual Membership Meeting on Tuesday, February 23, 2020. You will receive an email with the meeting link and it will be posted on www.legacypark.org.

The HOA has hired Vote-Now (a/k/a Campus-Vote.com) to manage the election process. Each property in Legacy Park will receive their voting package from Vote-Now prior to the opening of the voting period.

If we do not have an email address for you, you will receive your package via USPS in an envelope clearly marked with “**Legacy Park Election Materials Enclosed**”. It will include a paper ballot that has your unique, secure household personal identification number (PIN) printed on it.

For those of you that we have an email address for, you will receive your package electronically. **Any owner can vote electronically, all you need is your PIN and a computer with internet connection.** Vote-Now will communicate through emails to those owners who have not voted, but your email address is **NOT** required in order for you to vote electronically.

Neither the Board of Directors, Election Committee nor HOA staff members will be involved in the collection or counting of any of the votes cast. Vote-Now is responsible for this process. In your voting package, you will receive all contact information if you have questions about casting your vote.

We look forward to continuing our more streamlined process during this election and hope that you find this to be a very efficient and effective way to cast your vote.

DO YOU HAVE A GRADUATING SENIOR THIS YEAR?

Legacy Park is a great community for families and what better way to honor our children who have achieved a memorable time in their lives than to highlight their achievement in the newsletter. In the May newsletter, we will include space to honor our residents who will be graduating from high school or college. You will need to fill out the form found at www.legacypark.org. By completing this form, your graduate will also get a sign that will line Legacy Park Boulevard in May.

ELECTION REMINDERS

During the election process, please remember that the HOA does **not** endorse any candidate(s). The HOA handles the official communication of election details to residents, along with Vote-Now. This specific process allows the residents to have all the information that has been submitted by all the candidates before they cast a vote. Other information may be sent by the individual candidates.

The official communication includes:

- Correspondence on LP HOA letterhead;
- The Legacy Park Town Herald newsletter;
- Legacy Park website;
- Legacy Park Community Association Facebook page (@legacyparkhoa); and
- Legacy Park e-mail distribution from the property manager and/or Vote Now.

These communication tools are controlled and maintained by the Legacy Park HOA. The HOA does **not** maintain or control any social media discussion boards, **except** for one Facebook page named “Legacy Park Community Association”.

It is not a violation of the Association’s governing documents for members (homeowners) to campaign for Board positions or to go door to door.

If you want to guarantee how your vote is counted, you must complete and sign your Ballot or vote electronically for the directors you choose. The Ballot mailed to you includes all possible candidates through the date of the mail-out.

ANNUAL ASSESSMENTS & FEES DUE JANUARY 31ST

The bill for 2021 annual assessments were mailed out in December and were payable by January 31st. If you have not paid your assessments, you will be receiving a late notice via email or in the mail (*if we don’t have your email address*) with a late fee added to your account. Each month that your assessments go unpaid, interest will accrue on your assessment balance.

The 2021 amenity stickers for your Legacy Park ID will be mailed to homeowners who have a zero balance on their account. In order to attend any events, play sports and enjoy our amenities, you must pay your assessments. If you have questions regarding your delinquent balance, please feel free to call the HOA office 770-919-2556 for more details.

Two lucky residents will be randomly selected to receive \$332.50 back in dues at the meeting! To qualify, you must have used Buildium for a payment and 2021 dues must have been already paid in full.

CALLING LEGACY PARK DESIGNERS, ARCHITECTS, BUILDERS & REALTORS!

The 2021 Budget includes an update of our Clubhouse Kitchen. Let's make the most of it!

Do you want to provide input on the renovation to the Clubhouse kitchen?

Do you have resources that we should consider when selecting vendors?

Have you seen Clubhouses in other neighborhoods that we should consider?

We would love for you to be part of an advisory committee.

The goal is to complete this project as soon as possible. So, please email candacecole@legacypark.org by 2/7 if you are interested in helping!

"We can accomplish far more together than we every could on our own."

HOA News & Information

Newsletter Editor, Candace Cole

After seven months of Virtual Newsletters, we are finally going to print again! However, this will be the LAST Newsletter placed on your mailbox. (Huge thank you to Troop 002 for delivering them!)

Starting in March, we are partnering with KDA Communication to publish and MAIL the Legacy Park Town Herald. We anticipate it being in your mailboxes by the last day of each month. There is no cost for this service to the HOA as they will now be using advertising revenue (that they manage and solicit) to cover the cost. So, what can you expect to see?

Printed Newsletter delivered to each resident via USPS. More content pages. We have up to 24 pages allowed per issue! More advertising. This is how they get paid and we are getting this service for free.

We are working with KDA to maintain a consistent look/feel. We hope that when your newsletter arrives in your mailbox, you will immediately recognize it and want to read it!

Huge thank you to Tracey Viars for working with Legacy Park on the newsletter this past seven months. Your creativity combined with knowledge and love of LP really came through!

The digital versions of the newsletter are online and available to download from our webpage at www.LegacyPark.org/newsletters

RETHINK VARICOSE VEINS

It is actually a common misconception that varicose veins are purely cosmetic. However, often times it is the underlying venous disease called chronic venous insufficiency (CVI) that is associated with varicose veins. If left untreated, over time, this can possibly progress to more problems such as skin discoloration or even open wounds.

A Division of Vascular
Surgical Associates, P. C.

YOU ARE NOT ALONE

Varicose Veins affect an estimated 40% of women & 25% of men. Healthy leg veins contain valves that open and close, allowing blood to return back to your heart. When the valves do no function properly, blood may begin to pool and build up pressure, resulting in weak, enlarged and painful veins. Fortunately, treatment is available.

NEWS FROM THE LEGACY PARK ACTIVE ADULT 55+ CLUB

As some of the people in Legacy Park know, the Active Adults 55+ Club has been dissolved as of December 2020.

Because we had money in our treasury, it was discussed with our members in advance that money would be sent to a charity. At our last official meeting, it was voted upon to send that money to St. Jude's Children's Hospital in Memphis, TN. Rich Denton, our treasurer sent them the check.

On December 8, 2020, Rich Denton and Paul Goulet received a thank you letter from the charity. In the letter sent by Martin Hand, Chief Donor Officer, he stated that the money we donated would go to help a boy named Elliott who's fighting childhood leukemia and thanked us for our generosity. Happy New Year to All...Theresa Kalven

SPRING SOCCER & T-BALL

If the Board votes to cancel the season, all registration fees will roll over to the Fall 2021 season.

For the safety of our players, volunteer coaches and parents, participation will require adherence to COVID guidelines (which will be communicated prior to the start of the season).

Volunteer Spotlight

Article submitted by Candace Cole

Legacy Park is lucky to have Nancy Cobelli in the neighborhood! Every Sunday, she and her husband, James set out on a walk to Swift Cantrell Park with trash bags in hand. Several years ago, as an avid runner, Nancy had to take a break due to an injury. While out walking, she noticed all the litter and decided to do something about it. Shortly after, she recruited her husband to go for “walks” with her and now they both are doing more than their part to keep Kennesaw clean!

The Cobellis moved in to Bellingrath from Connecticut in 1997 (original homeowners) and shortly after had their two children, Ryan and Meghan. They attended Kennesaw Mountain Magnet Program and now are both at Georgia Tech.

Ryan (at age 14) started his own computer business, named Rybell LLC, and shortly after created the Legacy Park App that we all use. Download it if you don’t have it!

Meghan was a 4 year starter on the Varsity Volleyball team at KMHS and played Volleyball at GT on the club team last year. James recently retired from the Clorox company and enjoys playing golf and working on home projects.

Nancy teaches P.E. at Big Shanty and loves keeping her students and coworkers on their toes with her quick wit and silly sense of humor. The students always get a cartwheel sendoff as the buses depart Big Shanty on the last day of school. Sometimes you’ll even see her cruising the hallways at Big Shanty on a scooter. Don’t we all wish we had a teacher like her?

She’s not all fun and games though. If you think their yard looks like it is manicured daily... it is! I used to see Nancy out mowing her yard and think.... hmm, I should do that too, and out I would go. In Nancy’s world, the yard is not done unless, you trim the bushes, edge and blow the driveway. I quickly decided that there is no keeping up with the Cobellis!

We are fortunate to have watched each other’s children grow up and have become good friends over the past 20+ years! Thank you Nancy and the whole Cobelli Family for being great neighbors!

If you have a LP resident to nominate for a future issue, please submit article and picture(s) to newsletter@legacypark.org.

GREAT NEWS ABOUT THE NEWSLETTER

In March, we will be partnering with KDA Communications and their Neighborhood Communication Platform, named Our Front Porch. This option allows us the capability to have the newsletters printed and delivered to our residents via USPS. For advertisers, this option allows them to reach more people as they provide the same service in multiple neighborhoods and offer volume discounts. I've been told that some of our advertisers costs will be decreasing for the same size ad. So, hopefully, this is a win-win!

For those that are not familiar, KDA is the leading provider of HOA communications, assisting over 90 of metro-Atlanta's

premier HOA's and neighborhoods with their print and digital communications. The content and editorial for the Legacy Park Town Herald will still be from and for the Legacy Park HOA. Just going forward, all advertising will be through KDA.

Ad submission and Art Deadlines are:

Ad submissions: 15th of the month prior. (Feb 15th for the March 2021 issue)

Estimated Delivery date: 25th of the month prior. (Feb 25th for the March 2021 issue)
