## A WORD FROM THE HOA OFFICE

We are open daily 10 am – 2 pm. We encourage you to make an appointment, as our waiting space is limited. If there is a resident at the front desk, we ask that you wait outside. We are here to help you with your Legacy Park needs.

Make sure you take advantage of our communication tools: the monthly Town Herald newsletter, LP website, LP APP, Facebook, Instagram, and our weekly email blasts using Constant Contact. The official Legacy Park Facebook page is “legacyparkhoa”. Any other Facebook page with Legacy Park in the name is NOT maintained by the HOA and the information is NOT “official”.

If you have a question for the HOA or see any safety concerns at any of the amenities, please contact the HOA. Each staff member's contact information is included on the Contact Information page.

## COMMON PROPERTY NEWS

Our annual springtime pressure washing has commenced. All the monuments, buildings, amenities will be cleaned. We are working on getting all the sign poles cleaned and will be painting them this summer.

**Sign Poles:** We are working with the City of Kennesaw in starting a new project this year that will continue for the next couple of years. We will start with replacing the sign poles on Legacy Park Circle and Boulevard so that the stop signs can be raised to the required height from the ground. The stop signs on the decorative light poles are up to code. We are not removing any signs, simply replacing the pole and installing new stop signs provided by the City.

**Gym:** The Fitness Center opened May 1 and we are back on schedule with our quarterly maintenance plan, placed several wipe containers and hand sanitizer stations. Enjoy the indoor facility and help us keep it clean and healthy for everyone!

**Lake:** Aquascape Environmental completed its May inspection on the lake. The fountain and spillways are in good condition, and they applied treatment for the algae. We continue to manage

the beaver population in the area.

**Trails:** The May rainstorms caused a major washout of the trails around the wooden walking paths on the trail between Bellingrath and Carillon. Hutcheson cleaned up the debris and repaired the trail. We are working on a long-term solution for this area.

**Landscaping:** Hutcheson is working on a proposal for the Tennis Court and Main Pool entrance areas. The HOA will work with the Landscape Committee in implementing the plan. Hutcheson will also be working on replacing/adding sod around the circle in the bare areas and replacing dead plant material. We use Zoysia sod and with the cool weather we've had, the supply is sparse.

**Pools:** The pools opened on May 15th. The sidewalk in front of Lullwater was repaired to alleviate a trip hazard, we are working on a solution to repair the settling issue in front of the pool house.

**Tennis & Basketball:** Tennis Courts 4/5, 10/11, and the Basketball Court have been resurfaced.

**Playgrounds:** New mulch will be installed at all the playgrounds this summer. We have stained the playsets at both Lullwater playgrounds, the Highcroft playground, and the Revere gazebo.

**Clubhouse Renovation:** This project is scheduled for June 20 – July 9. We can't wait to see Candace's vision complete!

**Splash Pad:** The infrastructure is complete, the in-ground water features are working, and the above-ground features will be installed in June. We can't wait to see the Palm Tree with dumping buckets up and running!

**Outdoor Fitness Center:** The fitness center was completed in mid-May. Be sure to review the rules listed in the newsletter. Be safe and enjoy this new amenity!

## SOLICITATION WANTED OR UN-WANTED

The HOA office has received multiple calls about door-to-door salespeople recently. The HOA does NOT grant anyone permission to go door-to-door. Solicitation permits are a matter handled by the City of Kennesaw. When the HOA receives a call from a business that wants to go door-to-door, we encourage them to advertise in the newsletter or sponsor our events. If anyone tells you otherwise, they are being untruthful.

The first question to ask anyone that is soliciting at your home is to show their City of Kennesaw permit. Ask to see both front and back. The back will have a signature from Kennesaw Police. If there is no signature, it is not a valid permit. During the permitting process, the solicitor receives a copy of the ordinance which states that they cannot solicit in neighborhoods or homes that are posted with “NO SOLICITING” signs.

If you explain that you are not interested and ask them to leave your property, if they do not or refuses to leave the home, call 911 because it may be a case of criminal trespassing.

If in doubt, please call the non-emergency number for KPD at 770-422-2505 to have the record checked. If there is no permit with KPD, they can send an officer out, which could result in a ticket to the solicitor. Keep in mind that some groups are exempt from the permit process, which includes religious and charity organizations.

If you are receiving paper solicitations that are being thrown on the ground, please contact the City of Kennesaw Code Enforcement, this is littering.

## NORTHGATE UPDATES

**T**he neighborhood is looking good and the new Legacy Park signs at the entrance are great. Thanks Bobby Hawkins for staying on top of everything.

Congratulations to Amelia and Drew Hanshaw at 4326 Chesapeake Trace for winning the annual fees raffle at the virtual annual meeting. Hopefully we can be in person next year.

Congratulations to all of our 2021 graduates-- great job!!

We are in need of more input from the neighborhood. Please consider joining the Northgate HOA board - it doesn't require a lot of time.

## JIM DEMPSEY

One of the original families to move into Legacy Park Jim Dempsey and his wife Amy moved here in Sept of 1996. You may not recognize them by name or face but you probably know their dogs. You can see them most mornings walking the circle with their white Golden Retriever and pug. Like most of the long time residents of LP, Jim and Amy have been active in the local community and started their family here. As a family with their two daughters, Annie (Recent UNC Grad & works for AT&T Media) and Charlotte (PT major at Univ of Kentucky) they have made the most of the LP. While Jim and Amy participated in ALTA tennis, the kids were involved with tee-ball, soccer, tennis and swim team over the years.

Service has always been an important part of the Dempsey's life. Amy volunteering with their pets through Happy Tails, the girls forming a non-profit called Miss Amazing to support young women with special needs and Jim coaching middle and high school lacrosse as well as actively serving with the Georgia State Defense Force (GASDF) for over 16 years. In Jim's service to the State he has risen to the rank of 1SG and will be promoted to SGT Major and appointed as the Command SGT Major in May for his home unit based out of Marietta. Jim's desire to serve was learned from his father who retired from the US Army Reserves as a LTC. Shortly after Katrina Jim learned of the GASDF through news reports and Clark Howard who himself is a long-time member of the unit working in the Political Affairs (PAO) section. It's members are made up of those that have never served in the active military as well as prior service members who have retired from active duty and are seeking to continue to wear the uniform and support their community. Most recently Jim's unit provided support for the

State's response to COVID19. In fact this time last year Jim was deployed to Albany GA for the better part of 3 months supporting decontamination teams that were moving through

nursing homes throughout the area. Locally, if you've ever attended the Big Shanty festival or Acworth 4th of July you would probably recognize his unit as they support the KPD and APD by providing additional security, traffic and crowd control support.

Having been a life long lacrosse player, along with fellow resident Chris White, Jim started a middle school team here in LP. Back in the day you could see Jim and Chriss putting the kids through their paces in the town green. After working at the middle school level Jim was asked to move up to the high school and serve as a community coach and defensive coordinator, a role he enjoyed till a job change put him on the road a majority of time.

For the past 10 years Jim has worked for Panasonic's rugged mobility division in various sales and business development roles. Most recently as Director of the newly formed program working with 3rd party software partners, Jim manages a team and directs Panasonic's business development efforts across the US. As empty nesters Amy enjoys working part time with Kandrac & Kole interior design.

## IMPORTANT MODIFICATION INFORMATION

The best place to have your questions answered is the HOA office. Contact us if you have any questions related to the HOA, such as amenities, covenants, etc. or visit our website [www.legacypark.org](http://www.legacypark.org) to receive our community's covenants and design guidelines.

All modifications to the exterior of any home and the property, must be approved by the Architectural Review Committee (ARC) before any work begins. This includes, but is not limited to; roofing, windows, exterior doors, painting (present colors are not automatically approved), landscaping (including removal and replacement of aging shrubs and plantings, flower bed borders), fire pits, trampolines, etc. Please note there is a \$250 fine for any unapproved modification and you will be required to correct/remove the modification. Please also note, that backyard modifications must also be approved, even if it is not visible from the street.

Here are some items that we commonly receive calls about that are NOT permitted: sheds, car covers, RV/trailers/boats, commercial vehicles, blinds, curtains (other than white backed curtains or blinds, or natural wood blinds), landscape lighting, statuary/and other manmade objects, or rocks as ground cover, unless it has been approved to correct drainage issues.

Lastly, all tree removals must first be approved by the City of Kennesaw, and a letter from the HOA will follow the City's approval.

# PUBLIC SAFETY Q & A WITH OFFICER HICKS AND PICKLES

**O**fficer Hicks is a United States Army veteran who now works as a K-9 handler. His hobbies include working out, playing tennis, spending time with friends, and Miami Hurricanes football.

Pickles is a K-9 Officer who specializes in detecting weapons and tracking lost people. His hobbies include eating peanut butter, playing fetch forever, and he loves hide-and-seek.

## WHAT DO YOU THINK IS THE BEST WAY TO MAKE SURE YOUR HOME IS PROTECTED THIS SUMMER?

The best thing you can do is invest in a home security system WITH video capability so criminals notice you are not a soft and easy target! (Keep in mind if you have a security system but don't activate it then it's basically useless)

## WHAT DO YOU RECOMMEND PEOPLE DO WHEN LEAVING THEIR CARS IN THE DRIVEWAY?

If you leave your vehicle in the driveway PLEASE be sure to lock your doors! AND keep valuable items either in your home or if they must be left in the vehicle then keep them

in a place that they cannot be seen!

## WHAT IS THE MOST LIKELY OCCURRENCE OF THEFT FOR A NEIGHBORHOOD LIKE OURS?

In a place like Legacy Park the majority of our burglary and thefts occur during the day when people know the houses and vehicles left at home are unattended!

## WHAT TYPICALLY HAPPENS WITH CRIME RATES DURING SUMMER MONTHS?

The crime rate typically goes up during the summer due to in large part juvenile offenders committing petty crimes because of boredom! I highly recommend having our kids involved in SOMETHING! A great kid who would normally never think to commit a crime will surprise the most sure parents when left on his/her own and under-stimulated.

## WHAT ARE SOME EASY WAYS TO INCREASE THE SAFETY OF OUR HOMES?

Talk to your neighbors! I understand not everyone is best friends with the people living next door to them BUT it would help everyone if we could all just look out for one another! Your neighbor knows what cars are normally there or not, and they might have a description of someone walking through your yard as they were leaving the house! If we all pay attention a little to our surroundings we can help make Legacy Park a safer place!

If you have additional public safety questions, feel free to email us so we can get them answered!

**H**arvard School of Public Health looked at data from a pool of 73,000 women followed for 34 years and more than 38,000 men followed for 28 years for the course of this study.

### The health habits observed in this study were:

Eat a variety of fruits and vegetables

Walk for a minimum of 30 minutes a day Get to a healthy weight Quit smoking — or vaping Limit your alcohol intake

The more healthy habits they had, the longer they lived. "even if they only had two of these habits, participants lived two years longer than if they had none." (2020, Tello)

# PLAY LIKE A GIRL!

Last fall, a team of women started playing tennis on a C-8 ALTA team, and this spring, they're celebrating being the first seed in playoffs as division winners! The newest team out of Legacy Park is captained by Sara Emery (Winterthur) and Victoria Denker (Olmstead), and the girls did not have any experience when they first started. "I moved into the neighborhood and heard it was a huge tennis community. I started drills with Adam to learn how to play and was surprised to hear we were starting a team. I am glad I started, since I have made lifelong friends through tennis,"

says Kayla Deuire (Winterthur) about her journey to playing tennis. Victoria Denker commented similarly, "It is amazing to see how far we have all come—started from the bottom, now we're here!" If you're looking to make new friends, get involved in the neighborhood, and have fun, consider joining a tennis team!

It has never been easier to start playing! There are beginner-level teams for men and women starting in the fall and they would love to have you! Reach out to Adam for more information about getting started! The team made it to Cities and came in second!

## THE BRO CODE

The weekend of 5/5-5/9, the Legacy Park 3.0 men's tennis team finished as Georgia State Finalists. The team, along with their families, went to Macon for the tournament during Mother's Day weekend. Captained by David Lopez, the team finished their finals match 2-3 with notable victories by Alex Hicks, Keith Simington, and Matt Deurie. "We live in the best neighborhood. I couldn't do this without you," said Lopez as he addressed the team. "Having our families and everyone there made it so fun was my favorite part," remarked Alex when reflecting on his experience. The team would like to thank their wives, parents, and families for all that they did to make the weekend a success! The men hope to earn a wildcard bid to sectionals to be played this summer!
