IMPORTANT NEWS

ARE YOU LEASING YOUR HOME?

If you choose to lease your home in Legacy Park, here are some things you need to know:

- The lease term must be no less than 12 months.
- Homes may only be leased in its entirety.
- No subleasing or assignment of leases is allowed.
- You must turn in a copy of the signed lease as well as Owner and Tenant Acknowledgement forms to the HOA office within 10 days of inception. (There is a \$25/day fine if received after this date.)
- Owner's current address and email on file with the HOA.
- Owner must be current on HOA fees.
- Keep in mind that, as the homeowner, you are responsible for the behavior of your tenants at the amenity areas, and in compliance with the covenants. Should there be any fines issued for non-compliance, that fee is yours to pay, and collecting it from the tenant is the homeowner's responsibility.

WANT TO KEEP YOUR COMMUNITY SAFE? HAVE YOU SEEN SOMETHING THAT APPEARS SUSPICIOUS, OR ISN'T APPROPRIATE?

Do NOT call the HOA first, call the Kennesaw Police Department. Keep in mind that Legacy Park is not a provider of security on common property to any Owners, their tenants, or guests. If you think the activity does not warrant calling 911, call the Kennesaw Police Department at 770-422-2505. They are here to help us keep our community safe!

All homeowners are responsible for ensuring that the residents in their home and any guests follow these rules at all times. Failure to do so may result in the suspension of amenity privileges of the owner(s). LP amenities are for the enjoyment of residents and accompanied guests only. The LP HOA reserves the right to suspend privileges or prosecute an individual for destruction, abuse, or misuse of property.

DOES YOUR HOUSEHOLD OWN A GOLF CART?

If you do, remember that Motorized vehicles are NOT permitted on the walking trails or Town Green. This includes motorized scooters, motorbikes, mopeds, and electric/gasoline hybrid vehicles, etc. The HOA staff and/or Board of Directors may approve limited use under special circumstances.

DO YOU HAVE A DOG THAT LOVES TO WALK IN LEGACY PARK?

Did you know that it is unlawful in the City of Kennesaw for the owner of any animal to permit such animal to be out of his immediate control and restraint? All animals shall at a minimum be maintained on an appropriate chain, leash or tie not exceeding six feet in length, and in the hands of a person who possesses the ability to restrain the animal.

A friendly reminder that pets are not permitted within any fenced area owned and maintained by LP (e.g., ball field, tennis courts, pool area, etc.).

Remember, as a responsible pet owner, it is your responsibility to clean up after your pet..... pick up and properly disposal of your pet's waste. Failure to adhere to this rule may result in the suspension of amenity privileges. Trash receptacles and doggy waste stations are located throughout LP to aid in the disposal of such waste.

SOLICITATION WANTED OR UN-WANTED

The HOA office has received multiple calls about door-to-door salespeople recently. The HOA does NOT grant anyone permission to go door-to-door. Solicitation permits are a matter handled by the City of Kennesaw. When the HOA receives a call from a business that wants to go door-to-door, we encourage them to advertise in the newsletter or sponsor our events. If anyone tells you otherwise, they are being untruthful.

The first question to ask anyone that is soliciting at your home is to show their City of Kennesaw permit. Ask to see both front and back. The back will have a signature from Kennesaw Police. If there is no signature, it is not a valid permit. During the permitting process, the solicitor receives a copy of the ordinance which states that they cannot solicit in neighborhoods or homes that are posted with "NO SOLICITING" signs.

If you explain that you are not interested and ask them to leave your property, if they do not or refuses to leave the home, call 911 because it may be a case of criminal trespassing.

If in doubt, please call the non-emergency number for KPD at 770-422-2505 to have the record checked. If there is no permit with KPD, they can send an officer out, which could result in a ticket to the solicitor. Keep in mind that some groups are exempt from the permit process, which includes religious and charity organizations.

If you are receiving paper solicitations that are being thrown on the ground, please contact the City of Kennesaw Code Enforcement, this is littering.

RESIDENT CONTACT INFORMATION NEEDED

Please contact the HOA office by email at PropertyManager@LegacyPark.org or by phone at 770-919-2556 with your email address and phone numbers so that we can ensure we have your family's contact information.

This allows a broadcast communication to all residents.

This allows the HOA to have contact information in case residents need to be contacted individually.

The HOA does not share or sell personal information.

MAILBOXES – WHAT YOU NEED TO KNOW

Does your mailbox need some sprucing up or does it need to be completely replaced? Don't panic! We have all the information you need. The numbers and units are custom to Legacy Park and can only be ordered from certain vendors.

TO REPLACE:

We have been utilizing GSI for mailbox replacements. Call 678-671-6870 and ask for Vanessa. The company will work with the homeowners to order new parts, install them, etc.

FOR A REPAIR:

For the numbers, the HOA keeps them in the office and they can be purchased for \$5 each. In addition, we have the paint pens that you can borrow to match the existing gold or silver in your neighborhood.

If you are painting the silver number plate, it is silver around the border and silver address numbers and letters.

Below you will see what the mailboxes should look like after paint-glossy black and the correct numbers/colors for your neighborhood.

If you need someone to sand and paint and you don't have time, we have someone who will come out and paint it. Call the office for the name and number.

THE GOOD, THE BAD, THE UGLY ABOUT SOCIAL MEDIA

DID YOU KNOW?

Social media sites, such as Nextdoor and Facebook, are NOT administered or monitored by, or officially associated with the Legacy Park Community Association.

The Legacy Park Board of Directors has pledged to keep residents informed through direct and online communication while being transparent and providing information of interest to the community by appropriate means, which may include posting to social media, email or other online services.

Social media is not a method or means of communicating with the Board of Directors or Management staff.

For the fair and equal treatment of all in our community, any resident may contact the Board of Directors and Management to discuss concerns.

You may email Board@LegacyPark.org or send a letter to the Association at 4201 Legacy Park Circle, Kennesaw, GA 30144.

Residents are welcome to attend the Board of Directors open session meetings held on the 4th Tuesday of every month at 6:30pm. The Executive session follows immediately after the regular meeting and is closed to residents.

Negative posts on social media affect your neighbors and our entire community

A VALUABLE LESSON

WRITTEN BY REED WALKER

The sun pierced my woeful armor, ignoring my SPF 50, laughing at my shades, and converting my hat into a Betty Crocker oven. What would we find on the remote Cumberland Island? Mosquitos? Check. Endless ticks? Check. Prehistoric monsters? Read on. In the summer of 2014, Troop 002 would be hiking to the island's backcountry.

Now a teenager, I found life easy. I had grown up in the same house, with the same friends, and done the same things. I was bored. Where was the adventure? Another dull hiking trip. How could I learn to fight life's battles and open doors on my own? How wrong I would be.

The quiet crunch of our feet and the fresh sea air gave me hope. The greenery made me feel like a 16th century explorer discovering the Amazon. Abundant unspoiled wildlife such as horses, armadillo, deer, and birds sprang to life, inking memories onto my soul.

Pulling deer tick number five off my leg, we stopped for water. It smelled of a foul sulfur omelet. My friend struggled to keep up, abandoning his pack. Camp, swampy and heavily forested, miles from a water source, would be considered home. Exhausted, drenched in sweat and a patchwork of mosquito bites, I was ready to sleep. Channeling Robert Frost, thank you Mrs. LeMay, I returned for my friend's pack. I hiked back. Every step felt heavy and dark.

At dusk, Justin spotted something. A 500lb, scaly, sage-green, 12-foot alligator (might have been 650lbs by morning), crept from the bush. Banging pots and pans? Check. Screaming? Check. Bug spray flamethrower? Check. Mini-boombox. Check. Big Al finally went home.

With the boombox left on the trail (since gators only use marked paths), I drifted off to sleep. No longer hearing Justin Bieber, I drifted in and out of sleep; mostly dry in the tropical storm, thinking about the odd noises that kept me in my taco-shaped hammock. When our barricade crashed down, I could no longer hide from my fears.

I unzipped my rainfly and peeked out from the tenuous safety of my razor-thin hammock. Big Al was back and almost under my hammock. I woke my father. Alarmed, he yelled to run to the main campsite. It is far better to be eaten with friends than eaten alone.

Working together, we finally mustered a fire in the now torrential downpour using propane and dead palms, only exploding two camp stoves. The scout leaders guarded the campsite while the troop slept restlessly. Packing up the next morning to relocate, I discovered the boombox. The alligator had chomped it. Big Al was not a Bieber fan.

This trip changed my perspective on life. Sometimes, life throws an 800lb alligator at you. Nothing seems impossible and I am now OK with being a little bored. I no longer barricade my door, but I keep it closed, just in case.

JEFF HIGGINS LEAVES A LASTING IMPACT ON TROOP 002

Jeff Higgins, the long-term Scout Master of Troop 002 of Legacy Park has decided the time was right to step away from leading the day-to-date activities of the Troop that he has been involved in for more than a decade. Higgins made the decision over the last year as his son, Jim, entered high school and starting winding down his own Scouting journey. Higgins wanted to make sure he had the flexibility and the time to enjoy this phase of Jim's school years.

When Troop 002 formed in 2010, Jeff Higgins immediately volunteered to help lead as an Assistant Scout Master as his oldest son, Michael, was an early member of the troop. He stepped into the role of Scout Master in 2013 and has been a steady hand of leadership ever since. From helping plan all of the annual troop activities, countless camping trips, an emphasis on community service and a focus on teaching the guiding principles of Scouting, Higgins has left his mark on hundreds of young men in that time.

"I've had the privilege of knowing Jeff Higgins since our sons were in a Cub Scout Den together." Patrick Devlin said recently. "I've watched how he has led these boys with a consistent focus on helping them understand and live by the Scout Oath and Law. I'm incredibly thankful for Jeff's countless hours he has invested in this Troop."

In addition to day to day leadership of the Troop, Jeff has guided 40+ Scouts to achieve the Eagle Scout rank, which is the highest rank in Scouts. Their Eagle Scout projects can be seen all over Legacy Park as well as other community organizations in the area.

WHAT HAS HE MEANT TO US?

Jeff Higgins is a name that many in the Legacy Park Community do not know unless in Scouting. However, in the Scouting Community, he is an icon. His quiet leadership began ELEVEN years ago when he joined Troop 002 as an Assistant Scout Master and then took over when Mike Shambaugh retired from the role. As Scoutmaster, the adult is responsible for working directly with the Scouts providing direction, coaching and support. The three basic roles include:

Providing the junior leaders with the tools and skills so they can run the troop

Make sure the rule of the BSA and chartered partner are followed

Being a good mentor and positive role model.

The role of Scoutmaster is not an easy task. As a parent that has walked in a multiple meetings, it is basically organized chaos.

During a meeting, the scouts meet, plan outings, determine upcoming hikes, learn skills and work towards progressing their rank.

Jeff supervised this process and kept parents like me from trying to step in. He stands true to the "scout lead" process and embraces the boys as they develop new skills that are integral outside of scouting.

Scouts typically take a weekend a month and go camping. The trips are decided on and planned by the scouts. Jeff ensures that they have covered all their basis and will make reservations, drivers, etc., but then steps back again. The boys are responsible for organizing and purchasing their meals, setting up and taking down their camp. The chaperones have their own patrol and really are only there if needed.

Our family is blessed to know Jeff and really appreciate all he has done in leading our boys in scouting. One Eagle Scout and two that stopped along the way to pursue other activities. All three of our boys (and I should add Bob) have benefitted from working with him.

Candace Cole

Jeff has been one of the most dedicated volunteers LP has had over a very long period of time. His positive teachings have affected 100's of our Legacy Park kids over the years. What many may not know is that our Legacy Park Troop is always above the National Average for

Scouts who make the ultimate "Eagle Scout" ranking. This is due to the consistency over the years of Jeff's presence and his coaching, mentorship and connection with the Scouts.

Many may not be aware of the incredible time commitment this role takes. Planning and leading the Scout meetings every Monday. Planning and participating in campouts, events, putting the flags up/down in LP all year long. Even more, Jeff often used his own personal vacation days nearly every year to be at key events every year for our Scouts - including the week-long summer Woodruff camp in North Georgia. To have continued to do this for such a long period is commendable.

What has impressed our family the most is Jeff's dedication to the kids. He takes the lessons to a new level, often mentoring our kids using real-life, current examples. Our boys looked up to him and progressed through the ranks under his leadership.

Personally, I've enjoyed many years, campouts and those 'Monday meetings' with Jeff. He has a great attitude to life and is always a pleasure to be around. His leadership is greatly appreciated and will be missed, especially those special times spent together on whatever adventure or campout we embarked on.

Bob Cole

In my estimation, Jeff Higgins has earned the highest praise I can think of: He is a Scoutmaster's Scoutmaster. Jeff has been committed, dedicated, and present for Legacy Park's Scouts for more than 10 years. As a former Scoutmaster myself, I am very aware of the commitment it takes to do that job well, and Jeff has blown me away during his time in the role. He has set the bar high for those who will follow him at Troop 002, and our Scouts have been the beneficiaries of that high bar. I personally want to thank Jeff for all of his hard work and dedication to the principles of Scouting. There are a lot of youth who are better off because of him.

Thanks,

Mike Shambaugh

Jeff was very good about answering questions in a way that directed scouts to the best path of success.

Bryson LeBlanc

Thank you, Mr Higgins. Thank you for being a role model who my Scouting brethren and I can always look up to. Thank you for dedicating yourself to Troop 002 and Scouts BSA to help us kids flourish into adults who better the world around us. The impact you made on not just me, but every member of our Troop, old and young, will forever be cherished and remembered. Your name, Jeff Higgins, will be carved in the tree that helped me and many others grow into the Eagle Scouts we are today. Thank you.

From Max Wender

When I think of Jeff Higgins, I think of a man and Scoutmaster whose patience, knowledge, and passion for the betterment of others forever inspires me to be a better Scout and person. Thank you for everything, Mr. Higgins!

From Sam Wender

Thank you for making the transition to troop 002 such a smooth one, and thank you for all of your assistance and guidance with the push to Eagle!

From Zach Wender

A truckload of “thank-yous” to Jeff Higgins for his tireless work as Scoutmaster of Troop 002 for the past 11? years. He’s left an indelible mark on my 3 Eagle Scouts and countless other young people. His dedication, integrity, and character will be forever remembered and appreciated. Thank you for everything, Jeff. You’re my Scouting hero!

Anne Wender

My son has been in the troop for over 2 years now, but close to half of that time has been during Covid! Scouts was the one “normal” thing that we continued. Meeting via zoom first and then outside, having outside campouts to see friends - I really believe it helped all the boys adjust and deal with the Covid world.

Jeff goes on pretty much every campout, is at pretty much every meeting and event, and is always available to the scouts and the parents. I’m still relatively new to primitive camping, and Jeff always gives me advice and has answers for even my oddball questions! And as the token female for most events, he has always made me feel welcome and part of the group.

I’ve been taking on more administrative roles for the troop, and I email and text both Jeff and Patrick Devlin so many questions! And they both have always answered me promptly and thoroughly! They truly are a wealth of knowledge. And I’ve never felt like anything I’ve asked is a “stupid” question. Or felt like I’m bothering them.

Troop 002 has been lucky to have Jeff’s leadership. He has been a huge influence in many boys’ lives, and I know that they will remember and appreciate him even more as they become adults!

Mary Johnson

I’m proud to have become an Eagle Scout under Jeff Higgins. Higgins supported me and I’m thankful for all he’s done for the young men of the Troop - Ben Schuller

SPLASHPAD

Who doesn't love running through the sprinkler on a hot and summer day? Bring it to the next level at the NEW LEGACY PARK SPLASHPAD! After much anticipation, on Friday, June 4th the water was spraying and coconuts dumping. The children watched eagerly as the final inspection was completed and they crossed the barrier for the first time.

With phase one complete, we still have a few more plans for this month! We are landscaping the area outside the fence and adding some shrubbery to enhance the project. Our Legacy Park Sharks Swim Team Logo is being added to the exterior wall of the pump house that faces the Splash pad (after it is painted).

Future plans include replacing the old section of the fence and adding a seating area to the mulch area next to the Splash Pad. Additionally, as finances allow, the pad has been plumbed for two additional features to be added at a later date.

LEGACY PARK TRAVEL SOCCER

The Legacy Park Travel Teams wrapped up their season at the end of May and celebrated with an end of season banquet celebrating the players, coaches and parents. Such a fun time was had by all! With a couple days in between, full tryouts and evaluations began on the Town Green on June 7. Word of our program has spread throughout the area and we had close to 75 players, both residents and non residents, show up for our 3 day tryouts!

As we prepare for our upcoming 2021/22 season, we are excited to share that we are growing AGAIN! In the fall of 2021, we will be fielding 5 teams: U14, U16, U18, U18 Classic and a U18 Girls' Team. Not bad for a neighborhood Rec team that started in 2019 with barely enough players to make a team! We are proud of this program, proud of the talent we are attracting and proud of the family we have created.

We still need YOU! As our program grows, so does our need. We are still looking for dedicated players, passionate volunteer coaches and corporate sponsors to add to our team. Come be a part of our family. Come be a part of Legacy.

For more information on who we are and what we do, please visit:

Legacyparksoccerclub.com or contact Roger Edwards at 678-656-5222

For more info on our corporate sponsorships, please contact lpssc.donations.volunteers@gmail.com or legacysoccerclub@legacypark.org
