# Trash Fines

ue to the increasing amount of improper trash disposal on the property and the expense incurred by the Association for its removal, the Board wishes to inform all residents that rules regarding trash disposal will be strictly enforced.

Effective immediately, a fine of \$500 will be assessed to any owner that disposes of trash on Legacy Park Grounds. If you witness a resident disposing of trash improperly, please note the date and time involved and notify the HOA office.

The trash cans on the property are not for the use of overflow trash in your home. The area is monitored by cameras and offenders will be issued an immediate fine.

## **HAVE YOU SEEN OUR NEW MAILBOX SIGN?**

If the mailbox sign is out in front of your neighborhood, your mailboxes are being reviewed this month.

Does your mailbox need some sprucing up? Or does the mailbox need to be completely replaced? If you are not sure, please reach out to Joanne and she can help you decide. They are typically an easy fix, yet if makes such a significant difference in the appearance of

For those DIYers, please be sure to paint the entire mailbox, number plate, flag, and post. The mailbox itself for all neighborhoods are to be painted a GLOSSY BLACK. The number plate needs to be consistent with your neighborhood (either brass or silver). The HOA has paint pens for the number plates which residents can borrow.

- For the silver number plates, the silver must be painted around the border and the address.
- Brass numbers can be purchased (\$5 each) from the HOA office if yours has gone missing.

For those that are seeking someone to paint/sand the mailbox, we have several vendors that are aware of the standards and can help you. Please call the office for more information.

Does your mailbox need to be completely replaced? The HOA has been utilizing GSI for replacements. Call 678-671-6870 and ask for Vanessa. The company is familiar with the standards of each neiahborhood.

## **AMENITY PROJECTS**

The grass is greener on this side of the fence! Artificial Turf was installed by the Splash Pad to help with drainage and debris. We hope you love the new addition! Thank you CRD Turf! Fantastic work!

## PICKLEBALL SURVEY!

Thank you to everyone that took the time to answer the Pickleball Survey!

Residents were asked:

Do you want to replace Court 1 (the Walk-On Court) with 4 Pickleball Courts?

After removing duplicate responses, there were 364 Responses:

86 Indifferent 72 No 206 Yes

Fortunately, the Parking Lot repaying project came in under budget and we were able to reallocate funds to this project. We hope to have it completed in May!

If you are interested in learning more about Pickleball, come on out to the weekly clinic every Wednesday at 6PM. All levels welcome!

# PROPERTY MANAGEMENT REPORT

#### BY LISA NEFF

his winter and spring have been super busy! Finally, here we are

ready for the fun summer season! We've completed most of our budgeted projects but have some that are still in the works. We look forward to seeing everyone out and about enjoying our wonderful amenities!

#### AMENITY MONITORING

The HOA issued the new 2022 ID pink stickers to all owners in good standing on March 10. If you need additional stickers, contact the office. The HOA is working with West Metro Patrol Service to monitor the amenities this year. Always bring your Legacy Park ID with you while on common property. When asked for your Legacy Park ID, please be prepared to present it. The amenities have cameras and are monitored. Anyone who allows access to the pools, basketball court, or gym court outside of the guest policy, or allows the gate/door to remain open after entering, will result in the suspension of amenity privileges.

#### BASKETBALL COURT

The new lights are up and stay on until 10 pm. When the lights automatically turn off, the court is CLOSED, and players need to leave. When entering the court, players MUST swipe in to gain access to the court. Up to two (2), guests are allowed per resident over the age of 18 to use the Basketball Court. Unaccompanied children between the ages of 12 and 18 are allowed only one (1) guest. Anyone found vandalizing the gate will have their privileges suspended and will be charged the cost to repair the gate.

#### MAIN ENTRANCE

The new sign is finally up! The finishing touches with the landscape and lighting are in the process of being completed. We are so excited to finally have this project completed.

#### **SWIMMING POOLS**

We have new gates at the Main and Winterthur pools. Please help us avoid damage to the gates by NOT propping them open. The Main Pool deck has been repaired and painted, along with the decking around the Main Pool house. The Winterthur Pool has been resurfaced and the floors at Winterthur and Lullwater pools have a new durable coating that will not require annual maintenance! We've added turf to the area by the Splash Pad and repaired all the electrical outlets around the pool. We are ready for opening day!

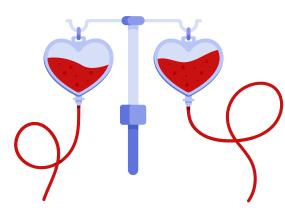

#### PARKING LOT

The work on the large parking lot and the front of the clubhouse has been completed. Thank you for your patience as the weather kept changing our schedule to close the lots.

Landscape: The enhancement of the Lullwater entrance has begun. Thank you to the Landscape Committee for their assistance with the plans! The spring flowers have been planted and we have taken precautions to deter the deer from using them as a food source.

**Playgrounds:** All playgrounds have been inspected, and repairs are being made as needed. New mulch is coming in. Highcroft and Madison are done. The fountain at the Palisades Playground has been cleaned and painted.

We are looking forward to a great 2022! Please contact the office if you have any questions or suggestions! We love to hear from our neighbors!

## **BLOOD DRIVE**

egacy Park collected 75 pints at the two-day Blood drive on March 16 & 17 exceeding the goal 52 pints! Thank you to all that participated!

Let's keep the blood flowing for a good cause! Go to our website or the American Red Cross Blood App to sign up for our next two-day drive on June 1 & 2.

#### TOO EARLY TO DONATE?

Here are the next Legacy Park Blood Drive dates: **August 16 & 17** | **October 26 & 27** 

## SPRING CLEANING

We are working on getting all the amenities and entrances pressure washed. Thank you for your patience as we work around the park and appreciate the end of pollen season!

What's Happening in the City? Farmers Market

The Kennesaw Downtown Development Authority is excited to present the 2022 Kennesaw Farmers Market as it returns to Depot Park for the 2022 season. This year's market will take place on Mondays, with hours of operation from 3:30-7:30 p.m., and will be located in the Big Shanty Drive parking lot at Depot Park. The market season is set to open on Monday, April 4, and run through Monday, August 1. The market will close on May 30 in observance of Memorial Day and July 4 in observance of Independence Day.

The Market will feature farmers and makers, as well as some local favorite food trucks. On a typical Market day in summer, over 20 vendors will be set up offering their best vegetables, fruits, baked goods, and specialty items.

## **Outdoor Movie Series**

Kennesaw Parks & Recreation will host three movies at Swift-Cantrell Park this year. This year's line-up is as follows: Walt Disney Pictures' Encanto (PG) in May, Columbia Pictures Industries Inc.'s Spider-Man: No Way Home (PG-13) in June, and Universal Pictures' Sing 2 (PG) in July. Movies are shown on a giant inflatable screen on a large field at the park after sundown. Attendees are welcome to bring blankets, chairs, etc. for their own comfort. Food vendors are available beginning at 6 PM for attendees to purchase food, or they can bring their own food with them to the park. Glass is not permitted in the parks.

VIP Tents are also available for rental for each movie. The VIP Tent rental includes a 10'x10' tent installed by Parks & Rec, a 6' table, and 6 chairs. Tents are placed towards the back of the viewing area as to not block the view of the attendees. Tent rentals are \$50.

## **EATON CHIROPRACTIC** IS NOW OFFERING **SHOCKWAVE THERAPY** SO WHAT DOES THAT MEAN?

yofascial Acoustic Compression Therapy (My ACT) was first discovered in the early '90s when doctors were using focused sound waves to break up kidney stones. Many patients reported that pain in areas not related to their kidneys was reduced or cured after this treatment. Scientists began researching this phenomenon and found that focused sound waves could be used to treat injuries and pain effectively.

The sound waves used in acoustic compression therapy are 1000x more concentrated than those used in ultrasounds. The short, strong wave generated by the acoustic compression device causes tiny vibrations in surrounding cells. Over the course of several treatments, these vibrations help to break down scar tissue and increase blood flow. The wave will also stimulate the nerves in the area, overriding the pain signals that they are sending to your brain. This is known as the "gate control mechanism." Over time, those nerves will send signals less frequently, leading to a reduction in pain. Acoustic compression therapy is FDA approved and has an excellent safety record. It is completely noninvasive.

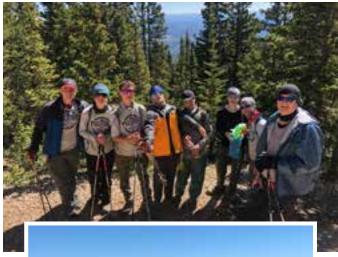

Acoustic compression therapy has been used to treat plantar fasciitis, runners knee, tennis elbow, back and neck pain, sports injuries, repetitive use injuries and bursitis. It can be used right away after an injury is sustained, and it can also help with old injuries that are still sore or stiff.

In addition to calming down overactive

nerves and easing muscle spasms, ACT also increases blood flow and nutrient transfer between cells. This reduces inflammation and speeds the healing process. ACT helps old injuries by breaking down scar tissue. Scar tissue is a natural part of the healing process, but sometimes the body produces too much. Extra scar tissue can cause stiffness and can even irritate nerves.

Your nervous system is extremely complex, and it is interconnected throughout your body. Many people who struggle with chronic pain have been able to reduce their dependence on muscle relaxers, pain killers or eliminate the need for cortisone injections after ACT treatment. The effects of the treatment are long-lasting because it encourages your body to heal itself.

The Bottom Line is Acoustic Compression Therapy is a safe and effective treatment for many types of musculoskeletal injuries and pain. It's safety and effectiveness have been proven in scientific studies and by nearly thirty years of clinical practice. ACT can help to heal injuries faster and can reduce or eliminate the need for opioid pain medications. It is a convenient, drug free and non surgical option for most people because of the short treatment times and the limited number of treatments necessary to see results. Dr Cris has recently added an ACT unit to her office and is offering her neighbors in Legacy Park an initial consultation and the first session at her expense (\$250 value). Just give the office a call and tell Loretta or Sharrie you want the LP Neighborhood ACT Offer. www.EatonChiropractic.com

## **UPDATE FROM TROOP 002**

eing a part of Troop 002 is

really fun and exciting. We go on campouts every month and with the involvement of everyone it can become an educational experience. We're able to learn about the wilderness and make friends. At weekly troop meetings we talk about scout business and then do an activity together. One time we competed to build the tallest tower using marshmallows and spaghetti noodles. In the Troop we do community activities such as attending city council meetings, community service, and overnight park campouts. The ability to learn, have fun, and create opportunities for our future makes the

The best part of Scouts is the campouts. They can be anything from staying on the lake for a weekend, to backpacking in the rocky mountains for 2 weeks; there are lots of options. Campouts teach scouts numerous outdoor skills: cooking, survival, pitching a tent, being prepared, packing efficiently, and so on. Scouts can make new friends and try new things throughout these trips.

Troop so good to be a part of. Overall we have a great time.

#### Where do I get a copy of the Design Q Standards and Community Rules & Regulations?

Your Welcome Packet includes them! To assure you have the most updated version, please visit Legacy Park's website at www.legacypark.org under

#### Who is responsible for upholding the Design Standards and Covenants?

Every homeowner is expected to maintain his or her property in a manner consistent with all applicable covenants. Refer to the Declaration of Covenants: Articles IV, V and XI. It is required that a modification application be approved by the Architectural Review Committee (ARC) before any changes are made to the exterior of your home, i.e. landscaping, painting, etc. Refer to Design Standards for additional information and restrictions. All violations of the Covenants or Design Standards may be assessed penalties.

#### What modifications do I need to get Q approval for?

Approval is needed for anything you do on the exterior of your home and property, front and back. This includes all landscaping, paint (even if painting the same color), new door, new roof, new windows, fence, patio, trampoline, etc. If you are not sure if it needs approval, please contact the HOA office.

#### When are Homeowner Assessments Q

They are due annually by January 1st. An invoice will be sent prior to this date; however, as stated in our covenants, not receiving an invoice is not a valid reason for not paying your assessments. Refer to Declaration of Covenants-Article X. A 10% late fee will apply for payment received after January 31st and interest will accrue on the assessment with a late charge at an annual rate of 7%.

#### What happens if I don't pay my Q **Homeowners Assessments?**

As mentioned above, there will be a 10% late fee and interest will accrue on the assessment with a late charge at an annual rate of 7%. Also, suspension of all Owners' rights to access or use any of the Legacy Park common areas, amenities and any Legacy Park supported events will occur. The HOA also reserves the right to take legal action, including but not limited to, liens against the property.

#### Who is responsible for what?

Each week the HOA office receives many calls wanting to know if the HOA is responsible for a specific area. Here is a brief rundown of some of the more common questions.

Amenity and Common Areas: These areas are owned and maintained by the Legacy Park HOA. The dues paid by each homeowner contribute to the upkeep of these areas: The main Legacy Park entrance, the area along Legacy Park Boulevard, Lake Legacy, the area along Legacy Park Circle, the neighborhood entrances and monuments, Town Green, neighborhood playgrounds, Town Club, Pools, Pump Houses, Amphitheater, Tennis Courts, Basketball Court, Baseball field, Walking Trails, Bridges, Picnic Grove and the Bandstand. To report a problem in one of these areas contact the HOA office.

Streets & Sidewalks: All of the streets within Legacy Park are owned and maintained by the City of Kennesaw. The KPD has the right to ticket and/or tow any car illegally parked on the street or sidewalk. The non-emergency number for the KPD is 770-422-2505.

Streetlights: The ornamental streetlights and the lights at the common areas are maintained by the HOA. To report an outage, contact the HOA (if the pole is numbered, please provide this information). The "cobra head" streetlights are owned and maintained by Georgia Power or Cobb EMC depending on who provides the power in the area. To report a light problem, contact GA Power at 888-655-5888 or Cobb EMC at 770-249-2100 or visit their websites and report an outdoor lighting issue.

Trees along neighborhood streets: The homeowner is the owner of the trees that are planted in the neighborhoods between the street and the sidewalk. It is the responsibility of the individual homeowner to prune these trees on a regular basis. The city recommends that you remove any branches growing at a height lower than 6 feet.

Power Lines: Georgia Power owns the high voltage power lines that run through Legacy Park. Legacy Park owns the property and Georgia Power has an easement. Both the HOA and Georgia Power take care of cutting the grass and maintaining the land that the lines are located on. If there is an issue, contact the HOA Office.

Storm Water Drainage Areas: These areas that run between neighborhoods and at the back of homeowner's lots are generally owned by the individual homeowner. Each homeowner should refer to the plat of their property for further clarification. However, if a major drainage problem exists with the drain itself the homeowner should contact the HOA office and we can direct you to the proper authorities to address the issue (Cobb County Water or the City of Kennesaw).
