

Mike Sesan
Palisades

I have lived in Legacy Park since January 2000. I have served on the Board of Directors of Legacy Park for 15 years in the past off and on. My philosophy and style follow a “No Nonsense Approach”. I believe in teamwork and have enjoyed working with the previous boards. Granted we always did not agree, the outcome should always be to do what’s in the best interest of the community. I am always learning and if re-elected I will continue to foster growth to our **PROPERTY VALUES** in Legacy Park.

I’m not here to tell you what’s wrong with the board or previous boards because I was part of them.

I always welcome new ideas from newly elected board members. The key element is always to focus on doing what’s right and what makes sense. I was on the board from the beginning to end on the construction of the clubhouse as well as the tennis pavilion. Experience I have and always continuing to learn and grow. When people visit Legacy Park we want to be perceived as the best place to live.

Our staff and Board here at Legacy Park are very important. The time and effort from them is notably appreciated. Although pleasing everyone is quite a task I know they all would go the extra mile to make our community better.

I am a graduate of Tulane University with a Business Management Degree. I work as a Financial Advisor for Edward Jones Investments and have been with them for 23+ years. I am team oriented and enjoy working with individuals in making decisions. The following are skill sets from experience that I will continue to contribute to the HOA as a board member of Legacy Park:

- Common Sense approach to issues
- Cohesive Communication among board members and staff
- Budget Management and Forecasting
- Strategic Business Planning
- Contract Negotiations
- Policy Design

On a personal note, my wife Maria and I live in Palisades. Maria is a Pharmacist with CVS. My daughter Jordan and son Ty have grown up here with many of your children. Ty graduated from Kennesaw State University in December 2020 works in trading and advisory service at Edward Jones and my daughter Jordan is a graduate of University of Georgia in May 2022 and works in the analytics area at Edward Jones. I love our community and it’s been great growing older with many of you whom I have known for years.

Thanks for your attention and consideration.
