

@ Legacy Park

Effective **August 1st 2023** Universal Tennis Management (UTM) will be using PlayByPoint online system to register and reconcile payments for Tennis and Pickleball drills, clinics, lessons, merchandise, and events. **This system will also enable residents to register in advance thus allowing for proper staffing needs required to host events.**

To help us streamline the process and your ability to use this system, we require you to log onto the site and register. ***Please also include your address when registering so our internal staff can verify proof of residency.**

In addition, you will need to add credit card information to be stored for any incidentals incurred from participation in any of the program's offerings.

****Please Note: All Credit card information stored is fully encrypted and there is NO Charge to set up an account. Your credit card will only be charged upon completion of any event(s) transactions.*
