#### I. Introduction

Legacy Park is a unique, master-planned community offering traditional homes that complement today's active lifestyle.

The Design Guidelines and Rules and Regulations ("Design Standards") are intended to ensure the protection of the Legacy Park concept, community lifestyle, and individual property values through the establishment of architectural standards, design reviews, and community rules. The Design Standards, which apply to your entire property including your house and your yard (front and back), and your driveway/walkway, have been updated to ensure an ongoing quality control necessary to maintain the "traditional" character of the community.

All homeowners in Legacy Park are bound by these Design Standards and acknowledge and agree to this requirement by signature at the closing of your home.

As provided for in the Declaration of Covenants, Conditions, and Restrictions for Legacy Park, as amended (the CCRs), the Architectural Committee (ARC) plays a critical role in ensuring that the requirements set out in the updated Design Standards document are met.

The Design Standards document identifies various circumstances in which the homeowner must obtain prior approval in writing from the ARC for modifications to be considered. If you are in doubt as to the need to seek such approval from the ARC, you would be well advised to consult the HOA office staff before proceeding.

It should also be noted that, in accordance with the CCRs, the ARC may modify the Design Standards to include additional restrictions. The Board may also modify the Design Standards subject to the provisions of the CCRs. Since design standards may change over time, each homeowner is responsible for verification of and compliance with all current Design Standards.

The New Construction portion of the original Design Guidelines has been archived. Any new construction in Legacy Park is subject to the ARC process.

#### II. Your House

#### A. Paint

- 1. If you wish to repaint your house siding, stucco, brick, trim, gutters, garage doors, or any other exterior surface you need to be aware that ALL paint colors must be approved in advance by the ARC, even if they are currently on the house.
- 2. A paint sample of color and sheen is required for approval. Failure to have paint approved in advance by the ARC may require you to correct the colors to an approved color at your own expense.

#### **B.** Additions

- 1. Any addition to your home requires prior written approval from the ARC. Any addition or change to the exterior must be composed of construction, design, and materials consistent with your home.
- 2. Vinyl siding is not allowed.

#### C. Doors

The Association shall afford the Owner reasonable notice and an opportunity to cure the problem.

#### SCHEDULE OF VIOLATION NOTICES, RIGHT OF APPEAL, FINES AND OTHER PENALTIES

The Board of Directors hereby adopts the following policy regarding enforcement of the Covenants, Rules, Regulations, or Guidelines pertaining to Unit (property) maintenance, repair, and appearance:

A violation of the Covenants, Rules, Regulations, or Guidelines will result in a notice from the Association. The violator will have <u>10 days</u> to correct the situation or appeal *in writing* to the Association. If there is no response to the notification within <u>10 days</u> of the date of the letter, a fine will be imposed in the amount of **\$25 per day**, per violation, until such time as the violation is corrected.

If a property owner makes a modification to their property without receiving an approved modification request for that modification as required by the covenants of the Association or makes a modification that does not conform to the modification request that was approved, the property owner shall be subject to a fine in an amount not to exceed **\$250.00**. Modifications covered under this provision include but are not limited to, painting and architectural changes. If the violation is corrected or appealed within the 10-day period, the Association is not obligated to waive the fines but may do so at the Board's discretion.

#### VIII. Appeals Procedure – Covenant Violations & ARC Decisions

#### Introduction

Any resident wishing to appeal a denied modification or covenant violation notice has the right to appear (or to submit a written appeal) before the Covenant Appeals Committee (CAC), appointed by the Legacy Park Board to hear appeals.

#### Membership of the Covenant Appeals Committee (CAC)

The CAC is made up of a Chairperson and volunteers are drawn from Legacy Park residents. Appeals meetings require a quorum of at least three members. A representative from the HOA office will also attend each meeting.

#### Submitting an Appeal

Residents have ten (10) days after the receipt of the violation notice or ARC decision to submit a written request, through the HOA Office, to have the appeal heard. Ordinarily, no appeal will go to the Board of Directors without initially being heard by the CAC.

The CAC will meet to consider appeals – whether in person or in writing – on the first Tuesday of every month (unless otherwise notified), between 7:00 pm and 8:00 pm in the Clubhouse.

In exceptional circumstances, the CAC may decide that the issue being appealed is best handled by the Board itself. The HOA Office will advise the appellant accordingly.

#### **The Appeals Hearing**

Appeals may be made in person or in writing. The time for an in-person appeal will be limited to 10 minutes. Residents are encouraged to submit any material such as pictures, diagrams, receipts, etc. to support their appeal.

#### Notifying the CAC's decision

The CAC will not give its decision at the time of the appeal. All decisions will be available the next business day through the HOA office, confirmed in writing within ten (10) business days.

#### Further appeal to the Legacy Park Board of Directors

Once advised of the CAC decision the resident may decide to appeal that decision to the Board of Directors.

If not satisfied with the CAC decision, the resident will have ten (10) days after the receipt of the CAC decision to make a written request, through the HOA Office, to have the appeal heard by the Board. The appeal, which may be in person or in writing, will be considered at a scheduled monthly Board of Directors meeting. The Board will not make its decision known at the time of hearing the appeal. All decisions will be available the next business day through the HOA Office, confirmed in writing within ten (10) business days.

For additional questions or further clarification concerning the appeals process, please contact the Legacy Park HOA office at 770-919-2556.

#### **IX.** Amenity Policies

Each member of a Legacy Park (LP) household, in good standing with the Legacy Park HOA, is required to have an LP-pictured ID card. These ID cards are available from the HOA and are issued to any resident 12 years of age and older. These ID cards are the property of the LP HOA and must be shown when requested by authorized personnel. Please note that any misuse of the amenities or breaking of rules may result in the suspension of amenity privileges.

The HOA Staff, Board of Directors, Lifeguards, Security Personnel, and Kennesaw City Police officers have the authority to enforce the rules and regulations of LP. These persons may ask people to vacate LP property and amenities if unable to produce a valid LP pictured ID card or if a person(s) is in violation of the rules and regulations of LP. Identification cards will be given to all personnel with this authority and will be displayed accordingly.
